

# 2017 Ambassador Feedback

## Welcome

As Ambassadors are responsible for promoting the NCIDQ Exam and engaging individuals in the importance of NCIDQ Certification, it is imperative that we receive feedback from those involved. This feedback allows CIDQ to measure ongoing success and identify needed improvements to all aspects of the program. Feedback should be provided after each and every engagement. Thank you for your continued commitment to the NCIDQ Exam and for serving in the role of Ambassador.
